ABOUT US

Established in 1997 in Istanbul, Türkiye, Kahraman Hediyelik Eşya is a dynamic and globally active company specializing in the stationery, souvenir, and glassware industries. As both a manufacturer and importer, we offer a diverse and constantly evolving product portfolio that reaches customers in many countries worldwide.

Under our innovative concept brand Vuki, we design and produce a wide range of creative, high-quality stationery products, including notebooks, pencil cases, bookmarks, and bags — all featuring our signature watery cover technology, which sets us apart in the market.

Our commitment to design excellence and product innovation has earned us a strong reputation among international buyers. We proudly serve global retailers, wholesalers, and distributors seeking trend-forward, vibrant, and uniquely tactile stationery items that resonate with end users of all ages.

In addition to our main product lines, we also manufacture and design rulers, pencils, tapes, sticky notes, clipboards, and other creative stationery accessories. Our products combine functionality, aesthetic appeal, and playful interactivity, making them ideal for gift shops, book retailers, toy stores, and concept stores.

With robust production capabilities and a flexible approach, we are a trusted partner for international sourcing. If you're seeking a reliable supplier with a passion for creativity and a proven export track record - we’ re ready to collaborate.
